We hope it makes your day a little more organized, inspired, and focused.

A Little Something for You

Inside this PDF, you'll find the **free template** you downloaded, ready to try out and play around with. Just swipe once and start exploring your template!

About WrittenThinking

Hi, we're **Thomas** and **Livia**—a software developer and a psychologist from Munich. During a six-month trip across the Americas, journaling helped us manage the chaotic world of traveling while staying focused and organized. Back home, we created our first reMarkable template to bring that same balance into everyday life.

WrittenThinking is our **passion project**, where we create practical, mindful templates for productivity, focus, and wellbeing. Each tool is designed to help you feel organized and in control, without feeling overwhelmed. We hope you find them just as helpful in your daily life as we have in ours.

Questions or Feedback

If you'd like to share a thought, say hi, or have ideas for future templates, we'd **love to hear from you**.

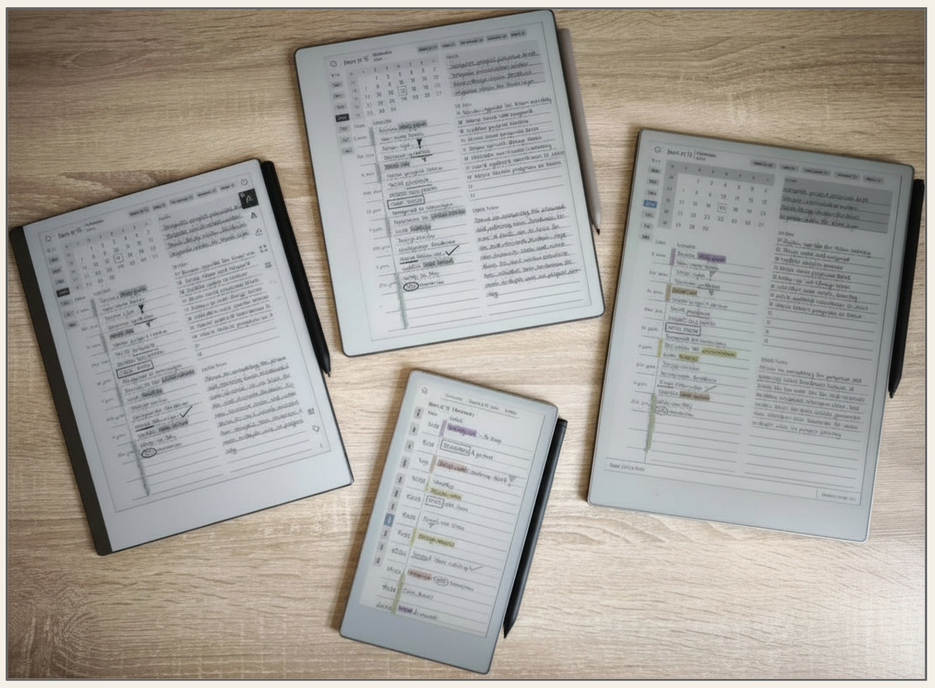
Uploading to reMarkable

Upload your files via desktop app or web interface.

Quick steps

1. **Desktop app**: Open the app → drag & drop your PDF, or click **Import** and select your file.
2. **Web interface**: Go to my.remarkable.com → log in → drag & drop your file, or click **Import**.

For detailed instructions visit the official guide.



Tips for Using Your Template

- Tap with your **finger** to activate hyperlinks of interactive buttons (the pen/marker won't work).
- Currently, reMarkable **doesn't convert handwritten notes in PDFs** into text, but there's a **workaround**:
  - Use the **select tool** to select your handwritten notes and copy.
  - In the toolbar press **"add note page"** and paste.
  - Press **convert button**.

For detailed instructions on text conversion visit the official guide.
